

## Directions to Siemens Observatory (Sternwarte) in Marloffstein

### Address for a navigation device:

Rosenbacher Str.  
91080 Marloffstein

Coming from the village center, turn left at the end of Rosenbacher Street at the transformer house towards Ebersbach.

### Please note the following information during your visit:

- The property is natural and not illuminated.
- There is no infrastructure at the observatory (**no toilets**, no running water, etc.).
- Please move carefully and only on the designated paths.
- We recommend **warm clothing**, sturdy shoes and a pocket lamp if necessary.
- Pay particular attention to the staircase on the domed building.
- The dome can be rotated, so there is a risk of injury. Please do not touch anything, do not lean on anything and move carefully in the dome building when the dome is being rotated.
- **Visit is at your own risk**; the Astronomical Working Group accepts no liability.
- Parking is only possible in the village center and on the outskirts of Marloffstein. Please use these and walk to the observatory. Parking along the road to Ebersbach is not recommended.
